ATTN OF 3280 TCHTS/CC

21 February 1992

SUBJECT: Letter of Special Achievement

TO: Commander
1100 ABG
Bolling AFB DC 20332-5000

1. On 21 February 1992, AB Jose J. Sanchez Jr., FR554- , was selected as a Distinguished Honor Graduate while attending the Security Specialist Course at the USAF Security Police Academy. This honor was bestowed on AB Sanchez for maintaining outstanding academic and performance achievement in all areas of the course. In addition, while assigned to the Military Training Flight 2, he actively contributed to the Flight and conducted himself in a manner worthy of emulation.
2. To give you an indication of the degree of his accomplishment, consider that only one student per class can be selected a Distinguished Honor Graduate. Historically, however, we have found that less than 50 students annually meet the 95 percent academic criteria and fire expert with his assigned weapon. As the Academy graduates over 6,000 students per year, he has begun his career as a Security Police Specialist in the top one percent of his contemporaries.
3. AB Sanchez will soon be joining your organization. We at the Academy wish to take this opportunity to advise you of the demonstrated hard work and "can-do" attitude consistently displayed by AB Sanchez.
4. We suggest you recognize AB Sanchez' accomplishments. We believe he possesses the ability to make an outstanding contribution to your unit and the Security Police career field.

MICHAEL B. MCINERNEY, Colonel, USAF
Commander
3280th Technical Training Squadron
